APPLICATION

NYU Tandon Motorsports

Baja SAE

Build, Design, Race

2022-2023

WHO WE ARE

New York University's Baja SAE team, NYU Tandon Motorsports, designs, engineers, builds, tests, promotes, and competes with an off-road vehicle. From **designing vehicle components and systems to in-house manufacturing**, we compete in static and dynamic events that test our car's design and performance at the Baja SAE Competition.

BAJA SAE COMPETITION
